SUMMARY

Creative designer experienced in campaign artwork, brand identity, packaging and social media. Trend-aware, adaptable, and open to feedback. Passionate about crafting visuals that connect with audiences and deliver exceptional experiences across platforms. Eager to grow.

EDUCATION

Chiang Mai University

Bachelor of Fine Arts (B.F.A.) Media Art and Design
Faculty of Fine Arts . GPA 3.01

2022-2026

EXPERIENCE

Graphic Designer Intern Mind Maker Co., Ltd. (Event Agency)

Apr - Jun 2025

Designed event and PR artworks for 8 projects, maintaining key visual alignment across Facebook and Instagram. Contributed to client Brand Identity and Guidebook development, efficiently managing print and digital design briefs under tight internship deadlines.

Creative Event Director MADS Degree Show 2026 (Thesis Exhibition)

Nov 2025 - Mar 2026

Managed events and concert shows within a 5-day institutional exhibition attended by 1200+ visitors, directing all visual communication and brand consistency. Successfully coordinated across six cross-functional departments including venue, graphics, lighting, sound, speakers, and artists to ensure a cohesive experience throughout.

ACHIEVEMENT

Decode-Research Hackathon Business Case Competition

Apr 2026

4th Place (Honorable Mention) Decode Research Hackathon 2026 (April 2026), out of 15 teams. As Team Leader, handled brand and packaging design, marketing planning, and the final pitch to judges, while managing overall team workflow and task delegation.
